

**TABLE 1**  
**Merced Wild and Scenic River Classifications**

Segment	Location Within Yosemite National Park	Classification
<b>Main Stem</b>		
Wilderness	Headwaters (including the forks of Red Peak, Merced Peak, Triple Peak, and Lyell) to Wilderness boundary above Nevada Fall	Wild
East Valley	Wilderness boundary above Nevada Fall to Sentinel Beach	Recreational
West Valley	Sentinel Beach to top of pool at Cascades Diversion Dam	Scenic
Impoundment	Top of pool at Cascades Diversion Dam to 200 feet below dam	Recreational*
Gorge	200 feet below Cascades Diversion Dam to western park boundary at Parkline	Scenic
El Portal	Parkline to El Portal Administrative Site boundary	Recreational
<b>South Fork</b>		
Wilderness	Headwaters to top of pool at Wawona Impoundment	Wild
Impoundment	Top of pool at Wawona Impoundment to 200 feet below dam	Recreational*
Wawona	200 feet below Wawona Impoundment to Squirrel Creek	Recreational
Below Wawona	Squirrel Creek to western park boundary	Wild
<p>* This plan allows for the removal of the Cascades Diversion Dam and the Wawona Impoundment. If either of these structures were removed, the classifications of the segments would be changed to reflect surrounding classifications (i.e., change from Recreational to Scenic).</p>
